Seguin Huskies Junior Hockey Club

### Team Name and Logo Announced: Seguin Huskies!

Seguin's newest junior hockey franchise has announced its team name and logo. The new franchise will be called the Seguin Huskies. "With over 50 team name and logo's submitted, it was very hard to choose a winner" stated team president Michal Kolarik. Michal went on to say "All along, it has been our goal to create something that is new, exciting, powerful, and truly unique; and we are very excited to choose a logo that had all of the characteristics that we believe well represents the entire area.

The idea of the Seguin Huskies and winner of the "Name the Team Contest", is local hockey fan, John Flynn. John's vision of the Seguin Huskies is exactly what the Seguin Junior 'A' Hockey Club was looking for as Huskies portray endurance, skill, enthusiasm, teamwork, and hard work, all qualities our junior "A" team will feature on and off the ice.

"John had an excellent vision and we are happy to have awarded him first place. We are also proud to be called the Seguin Huskies Junior 'A' Hockey Club and plan to represent the Huskies and all their characteristics for many, many years to come" stated head coach Gary Astalos.
